**Classic Barber Chair**  
PTJ 025

As you walk down the dark street, stumble upon this American vintage barber shop on the corner. When you walk in, wood grain floors, vintage chandeliers, walls plastered with last-century-style posters. The most eye-catching is Barberpub's vintage barber chair, with its eye-catching button design when you sit on top of that thick leather seat. Involuntarily said, "That's so comfortable, dude!"
